

Continuous Achievement Process & Plan

2021 Quarter 1

Willie Stewart will continue to focus on increasing the credential completion (diploma and GED) for all students enrolled in the OPEN DOORS program. Students will increase engagement and completion of credits. More school support and direction instruction on SEL standards will inspire this increased engagement.

Our Vision

Empowering students to gain the tools needed to graduate and continued success.

Our Mission

Empowering our students to become productive, confident and contributing members of their communities by re-engaging young adults in meaningful academic and social emotional learning experiences. We will do this by: *removing barriers *increasing access *providing multiple pathways *partnering with community and school stakeholders *ensuring post-high readiness
